

We take brands live on every sales channel, and run them. From onboarding to cashflow.

MISSION · TODAY

One platform, every channel, for every brand.

VISION · WHERE WE'RE HEADED

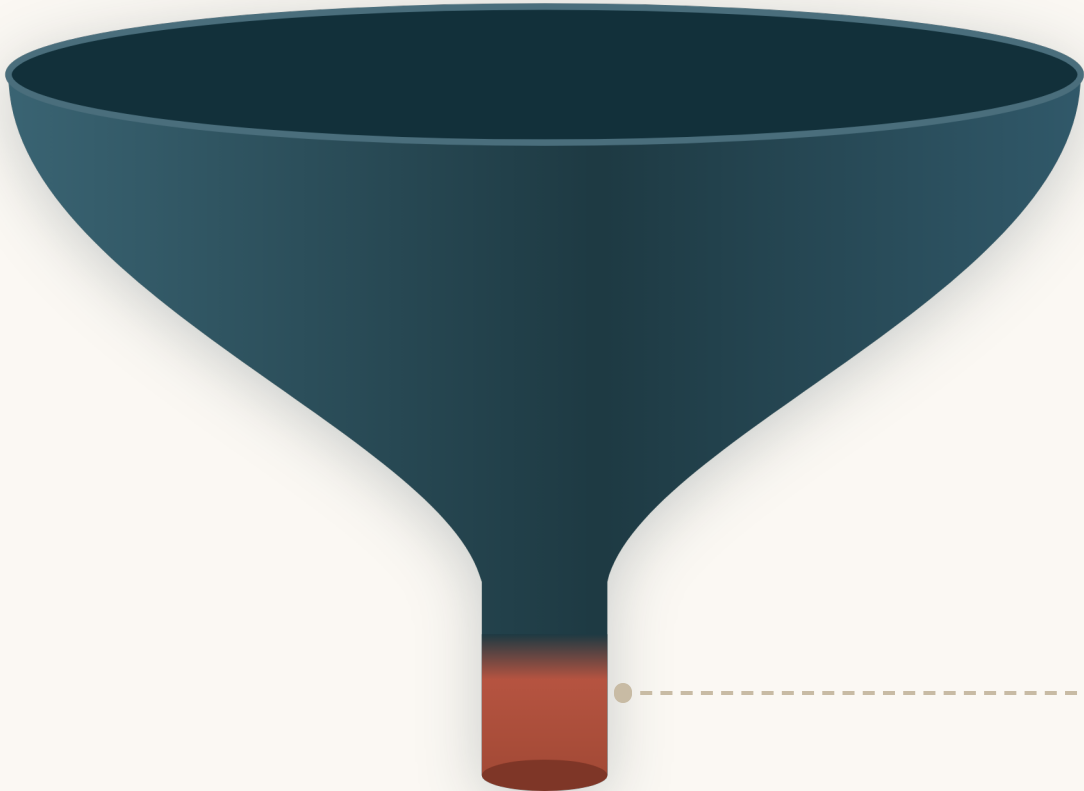

When a brand sells anywhere, it runs through Nasam.

The problem: getting into the marketplaces

 **78,000+** active brands on their storefronts

- Manageable
- Higher margin
- Own the customer

 **< 20,000** reach the marketplaces

- 3× conversion
- Millions of customers
- Channel-paid demand

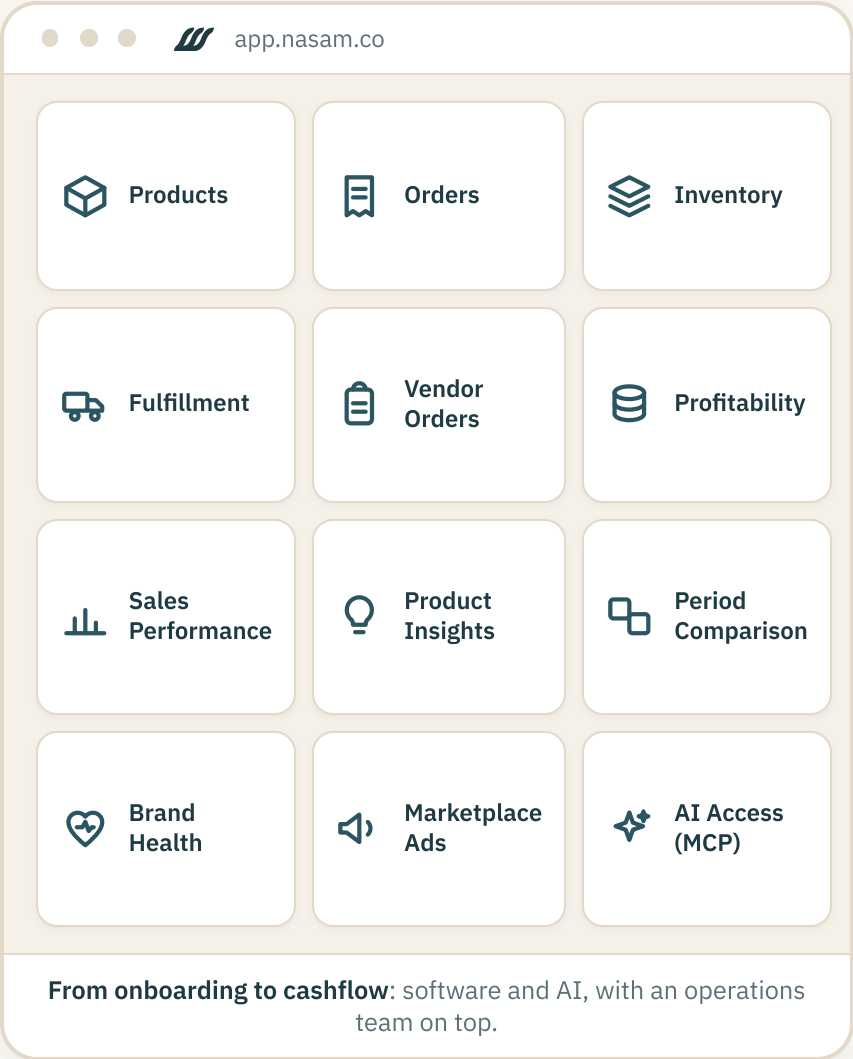

The operations wall

what clogs the funnel, per channel, every day

 Listings per channel	 Content & media
 Inventory sync	 Fulfillment deadlines
 Pricing after fees	 Ads & promotions
 Returns & penalties	 Cashflow reconciliation

58,000+ brands stay stuck behind it

Our solution: Nasam opens the bottleneck

Business model: one platform, three ways to run it
