

We take brands live on every sales channel, and run them. From onboarding to cashflow.

MISSION · TODAY

One platform, every channel, for every brand.

VISION · WHERE WE'RE HEADED

When a brand sells anywhere, it runs through Nasam.

The problem: getting into the marketplaces

The operations wall

what clogs the funnel, per channel, every day

Our solution: Nasam opens the bottleneck

Business model: one platform, three ways to run it

Revenue & growth: the last 12 months

Managed GMV by month (SAR)

marketplace sales run by Nasam · Aug 2026 is 19 days in

22x in 12 months

SAR 250K+
managed GMV, 12 months

SAR 2M+
GMV through the platform

25+
brands, 10 accounts

15K+
orders, 5 live channels

Market & competition: \$24.6B, one player in the region runs every channel

What makes us the one

-  The region's only software with a management team
-  One operations layer across every local marketplace

-  Arabic and English stores, Arabic-first · عربي أولاً
-  AI on live commerce data, Brand Health graded daily
-  From onboarding to cashflow, in one place

Rivals we can name. Nobody sits in our corner

THEY RUN IT FOR YOU

2.8x demand per Amazon.sa seller vs the global average · the market is still uncaptured
